

Call for papers (Baltic climate and socio-economic session)

Session title: **Climatic, social and economic conditions in the Baltic Sea Basin from Middle Ages to the end of the 18th century**

The 17th International Conference of Historical Geographers, Warsaw, Poland, July 15 - 20, 2018 <http://ichg2018.uw.edu.pl/>

Convenors: Piotr Oliński (olinski@umk.pl), Rajmund Przybylak (rp11@umk.pl)

The session has two main topics:

1. to present new research findings reconstructing climatic conditions and its changes in the Baltic Sea Basin from Middle Ages to the end of the 18th century,
2. to present consequences of changeable climatic conditions in the analyzed period on the economic conditions and on social and cultural life in the area under question.

You are welcome to forward this information to anyone who might be interested to participate and contribute to this session.

We look forward to receiving your contribution(s). If you are interesting in participating in our session (probably two meetings, 8 papers) please send to one of us your proposal (200-250 words) **no later than before 13 October 2017**.

All accepted participants are obliged to register and submit their abstract (200-250 words) to the ICGH website no later than 14th October 2017.
